A Message from the Superintendent

To all Westside Community Schools families and supporters,

On September 12th, our Westside community voted to renew the levy override with a five cent increase from ten cents to fifteen cents. The Board of Education certainly appreciates your trust in and support of District 66. The approval of the levy override will provide our schools with the resources necessary to fund our mission and vision.

It was clear from voter turnout that our community was engaged and aware of the importance of this election. I do understand that adding to the tax burden is difficult for many of our residents. It was not an easy decision for our Board to ask for this increase. However, it was necessary to bring financial stability to our district since our state aid has not kept pace with our inflationary costs. Another funding issue over the past decade has been flat property values within the District. The current state funding formula is overly dependent on property values for revenue. I know I speak for the Board when I say we will continue our annual systematic review of budget expenditures to ensure that the District uses these funds efficiently, and with a focus on our students and their achievement and engagement.

Due to this successful vote, District 66 will be able to maintain its momentum to provide an outstanding educational experience to all Westside learners. Yes, we can attract and retain our award-winning educators through competitive compensation. Yes, we can preserve our historically smaller class sizes. Yes, we can maintain our excellent academic programs found throughout the District.

We should all thank our Board members who are committed and dedicated to District 66. They work every day to support your children in ways that promote excellence. In this instance, they worked tirelessly to bring financial stability to the District. We thank our teachers and principals who create positive learning environments and are dedicated to helping all students reach their potential. The support found in our district is directly related to the excellence found in our classrooms and in the programs led by our staff members. And we applaud the engagement of every Community Club member and our parents who devoted their time and attention to making sure everyone in our district was well informed and aware of the facts regarding the levy override.

Westside Pride Newsletter

...Continued from page 1

70 years ago this year, District 66 was founded with one purpose: to create and foster a community-centered school district. From day one, we have been Westside Community Schools, and we are humbled by the support of a community that offers our students amazing opportunities beyond the walls of their classrooms. We truly are a school district like no other. Thank you for making our work as educators possible, and thank you for entrusting your children, our future, to Westside Community Schools.

Yours in education,

Blane McCann, Ph.D.
Superintendent, Westside Community Schools

.....

IMPORTANT INFORMATION ABOUT THE 2018-2019 CALENDAR

We have recently become aware of circumstances that could affect all Westside students and their families over Spring Break in the 2018-2019 calendar. It appears likely that the ACT state testing window for the 2018-2019 school year will coincide with Westside Community Schools' April 2019 Spring Break. These testing dates, which are set by the Nebraska Department of Education, directly affect all 11th grade students. **With this in mind, Westside may change the dates of Spring Break in the 2018-2019 calendar to accommodate ACT testing dates.**

To prevent disruption of plans for travel and other events, we are encouraging families to delay finalizing any travel plans they might be making for that break until the Nebraska Department of Education has set state testing dates and the District is able to address the issue. Thank you for your understanding and patience!

ACT SCORES UPDATES

From the office of Assistant Superintendent of Teaching & Learning, Dr. Mark Weichel

Westside Community Schools recently received our results for the Spring 2017 ACT exam. This was an exciting time for our school district, as these results represent our entire 2017 class, the first in which all students took the test at least once. 434 Westside students took the ACT in the spring; we truly tested everyone who qualified. This not only provided every single senior the opportunity to take this important, yet costly, measure required by most colleges and scholarship entities, it also offered a more accurate reflection of our work as educators here at Westside. By testing all students, we anticipated a reduction in test scores, as this has been the case with other school districts once all students were taking the exam. However, we were pleasantly surprised that our test results did not drop as much as expected, and were still higher than the state average for Nebraska.

ACT Score Trends

30.96% of 9th - 12th grade students in 2016-17 were eligible for free or reduced price meals.

Our hard work and focus to make ACT testing a priority is paying off. We are now recognized as an ACT Exemplary High School for Nebraska. Among the students in the Class of 2018 are at least six near-perfect 35's, and seven National Merit semi-finalists. We are confident we are preparing our students for the ACT, for college, and for their future careers.

We will continue to work to improve these scores year after year, but these results indicate we are trending in the right direction and fulfilling our mission to ensure academic excellence for all learners.

CONSTRUCTION UPDATES

OAKDALE

Oakdale continues to move towards completion, with opening set for January 2018. Windows, landscaping, playground equipment, parking areas, and drop-off/pick-up areas are the next major exterior components. Drywall and interior finishes are moving along towards the December completion and student move-in over Christmas break. We are currently finalizing details about a community open house to showcase the new Oakdale; please watch for dates and times! [CLICK HERE](#) to check out new video from the air, thanks to Project Advocates.

SUNSET HILLS

Families who attend or live nearby Sunset Hills should expect concrete block delivery trucks accessing the site through the neighborhood to deliver heavy equipment as well as roofing materials. Final steel deliveries are taking place this month, as well as crane mobilization and operation. Neighbors should also expect construction dumpster delivery and haul away. Sewer work is now complete on the west side of the site near the pool. Concrete will be replaced in the west parking area. Most delivery and construction trucks will access the site on 94th Street from Pacific. Other traffic may use 96th Street because of the traffic light at Pacific. Vrana Construction crews have set a tentative completion date for Sunset Hills for August 2018. Click [HERE](#) to check out new video from the air, thanks to Project Advocates.

SWANSON

Swanson has had additional Design Advisory Committee meetings and is moving along through the Design Development stage. Interior finishes and architectural details are being developed. The Design Development will be shared with the Board of Education on October 10, and it will be presented for approval at the October 16 Board of Education meeting. We are currently planning a public 'Goodbye to Swanson' event for those hoping for one last tour of the school; we will keep you updated on details once they are finalized. Swanson students will move into the Swing School in January 2018 prior to the start of 2nd semester, and demolition of the current Swanson will take place in Spring of 2018.

WESTSIDE MIDDLE SCHOOL

Westside Middle School has a new library! WMS invited Angela Welch Prusia, well-known local author of six YA novels, to read from her latest book, *Fearless*, to celebrate the opening of WMS' new library. Students enjoyed the reading, then stayed for treats and a slideshow of yearbook photos featuring the WMS library over the past six decades. Crews at Westside Middle School are now completing another phase of interior remodeling, which will be done by winter break. This will allow teachers and students to move from the portables into the building. Future major remodeling will resume over the 2018 summer break.

AWARDS AND HONORS

The Nebraska High School Sports Hall of Fame Foundation has selected the Omaha Westside High School Swimming Teams from 1973-1988 to receive the Dominant Dynasties Award for 2017. Under the direction of Hall of Fame Coach Cal Bentz, Westside earned national respect in the sport of swimming, winning 16 Boys and Girls championship titles between 1963 and 1977. Bentz was known for innovative coaching techniques to improve athletes' performance and time in the pool. Bentz was instrumental in the hiring of Westside Head Coach Doug Krecklow, who kept Westside Swimming an elite program. Westside won every Boys State Championship from 1977-1986 except one; that year they were State Runners Up. Westside also won 10 Girls State Championships from 1975-1988. Dozens of Westside swimmers won individual state championships in the same time frame. Krecklow still leads Westside's Swimming Program today.

.....

Two Westside Community Schools educators have been awarded thousands of dollars in grants as part of the Cox Charities: Innovation in Education program. Cox Charities chose five metro area schools to receive funding for 2017. Two Westside teachers, Jenny Henningsen at Prairie Lane Elementary and Matt Bova at Westside Middle School, were selected. Henningsen, Excellence in Youth Coordinator for Prairie Lane, Paddock Road, Rockbrook and Swanson Elementary schools, will use the money to purchase Bitsbox app development lessons for students in grades K-6. Young coders at Prairie Lane will use a simplified version of Java to create colorful working apps in minutes. As students progress, they learn how to modify the existing code to personalize the app, and eventually, learn to create apps from scratch. Matt Bova, Engineering and Technology teacher at Westside Middle School, also received a grant from Cox Charities. He will use the money to purchase the X-Carve CNC Router, technology allowing students to design parts on their computers and precisely cut them out of a wide range of materials. Click [HERE](#) to learn more!

.....

Paddock Road Elementary has been named a 2017 Blue Ribbon School by the Department of Education! The National Blue Ribbon Schools Program is a United States government program created in 1982 to honor schools that have achieved high levels of student achievement or made significant improvements in closing the achievement gap among student subgroups. US Secretary of Education Betsy DeVos announced Paddock Road was one of four Nebraska schools to receive the honor; Principal Scott Becker shared the news with teachers and students in a special assembly on September 28. Click [HERE](#) for photos thanks to Westside Wired and student journalists Jane Glazer and Kyndall Goodwin!

Westside Pride Newsletter

THIS MONTH AT WESTSIDE...

At least six Westside High School students scored a near perfect 35 on recent ACT tests, and seven Westside High School students are National Merit semi-finalists. Patrick Burkholder, Brady Fehr, Lucas Gould, Stephanie Lund and Samuel Sweeney were all notified this fall they had scored a 35 on the Spring 2017 ACT examination; Grace Johanningsmeier scored a 35 on her ACT this fall. Burkholder, Fehr, Gould, Johanningsmeier and Lund were also named National Merit semi-finalists, in addition to Westside High students Peter Novoa and Ana Podariu.

.....

Westside High Science Teacher Jon Allemang received a grant from the Westside Foundation to purchase color blind corrective glasses from Enchroma. The glasses enhance color perception for those with color blindness. As described by fellow teacher Angela Bergman: "That moment science brings joy!" Thank you to the Westside Foundation for providing opportunities like this to all of our educators and learners!

Oakdale 4th Grade Teacher Michelle Kopecky adopted a classroom at Houston's De Zavala Elementary. Oakdale students and Westside business Climate CrossFit collected several boxes worth of school supplies to send to De Zavala!

.....

The Warrior Quiz Bowl team competed at Beveridge Middle School September 23, seeded 7th out of 23 teams for the finals! Jackson Ingvaldstad (7th @ WMS), Eddie Pike (7th @ WMS), Owen Schafer (6th @ Sunset Hills), Adam Markus (6th @ Westbrook) and Logan Kauffman (6th @ Paddock Road) didn't know each other before the morning of the event, yet competed against older students who practice on a regular basis. The boys lost in the 6th round, but held their heads high and showed great sportsmanship like true Warriors.

Westside Pride Newsletter

Westside Athletic Hall of Fame member, parent, and community member DJ Rezac recently visited the Westside CAPS program. Rezac, a successful businessman and owner of KB Building Services, is one of many community leaders who have visited Westside's Center for Advanced Professional Studies, offering Westside students additional experiences, stories and visits to help them prepare for college and careers!

The Westside Choir gave a spectacular performance at the Fall Choral Concert on September 26! Many of our District leaders, including Assistant Superintendent Dr. Enid Schonewise, attended to support our Vocal Music programs.

Westside Volleyball hosted their annual Teacher Appreciation Night earlier this month. Each Varsity player invited a Westside teacher who has made a difference in their life to attend and be honored at the game. Each student athlete wrote their teacher a special message, sharing how they've impacted them. Click [HERE](#) to watch a video on Teacher Appreciation Night, produced by WHS student Libby Bekins!

Oakdale Elementary hosted Nature Night, a great opportunity for families to spend time outdoors learning! This was one of many events for our elementary age students to learn about agriculture, animals, forestry, and nature, thanks to our Excellence in Youth programs, Outdoor Ed, the Papio NRD, Cooper Farm, the Douglas/Sarpy Extension office, Nebraska 4H and more!

TEACHER OF THE MONTH

Sarah Mosel, 3rd grade teacher at Hillside Elementary, has been named September's Teacher of the Month for Westside Community Schools. Mosel, currently in her 6th year at Hillside, will be awarded \$100 thanks to That Pottery Place, owner Nancy King, and manager Shelly Nauss. Hillside Principal Cynthia Bailey shared the following about Mrs. Mosel in her nomination: "Sarah has skills and facility with all types of learners and finds ways to meet the needs of all students with whom she comes into contact. I am grateful for Sarah Mosel's commitment to the students and staff of Hillside; she is an asset to our school."

That Pottery Place is owned by Nancy King, a Westside graduate and proud grandmother to Paddock Road Elementary students. That Pottery Place is celebrating their 20th year in business in the Westside community. [CLICK HERE](#) for more information.

Congratulations, Mrs. Mosel, and thank you to Nancy King and That Pottery Place for supporting Westside teachers!

With the help of local businesses, a special committee will select an outstanding teacher each month, nominated by students, parents and co-workers. To nominate a teacher, or to support a Teacher of the Month award, please email Director of Communications & Engagement Brandi Petersen at petersen.brandi@westside66.net.

APPLY2COLLEGE!

No matter what age, this is a great time to talk to your child about college! Westside High School is hosting Apply2College once again this year, a week of events promoting higher education. This great week will take place October 2-6 and involve students at all Westside schools!

Westside High School is bringing in college admission representatives to help students apply for higher education and scholarships, and to stir up excitement for college! In 2016, Westside High had more than 150 students apply to more than 600 colleges, and counselors want to top those numbers this year. Parents, community members and staff: we encourage you to take part! Snap a selfie wearing your college gear and share using #Apply2College #Westside.

Apply2College Representatives at Westside High

Monday October 2: UNL, UNO and UNK
Open House for all parents, teachers and district staff!

Tuesday October 3: NWU, Midland

Wednesday October 4: KU, Iowa Western

Thursday October 5: Out of State schools

Application help available for all students and families!

Friday October 6: Metro Community College

IN THE MEDIA

KETV recently featured Westside High School as our DECA program, cheerleaders and athletic department hosted several Chinese exchange students visiting Bellevue University. These students had never before attended a high school football game until their experience at Westside. They were treated to Warrior gear thanks to DECA, they were part of the game-opening ceremonies with Westside Cheer, and they got to check out (and try out!) equipment up close, thanks to Athletic Director Tom Kerkman. "In China the student in high school just studies, nothing else," student Ling Feng Wu told KETV's Taylor Barth. Wu summed up his game experience in one word: Awesome!

NEED FOR EDUCATIONAL ASSISTANTS

From the office of Assistant Superintendent of Human Resources, Dr. Enid Schonewise

This fall we received extraordinary news: Westside Educational Assistant Tamara Welch was selected as a Nebraska Paraeducator of the Year, one of only four awarded in our state. Tamara is exactly what we hope for in an employee here at Westside.

Our EA's are essential to our mission at Westside, making a difference to impact the lives of our learners and their families. We serve more than 6,000 students and our Educational Assistants are the extra hands and hearts our teachers need to teach all students in class essential life lessons.

We need your help: we need Educational Assistants in our schools. We ask all of you to please help us spread the word to recruit more potential employees to apply for these positions. We are hosting a classified Career Fair on October 17; candidates can apply, interview and be hired all during this event. The new EA rate ranges from \$10.94 – \$11.77 an hour depending on level of duties.

Our Educational Assistants allow us to fulfill our vision as a school district: to personalize learning for every student. At Westside, every single child matters. For anyone who is retired, passionate about children, looking for a part time position or simply wants to make a difference, please, consider applying to join our team. [CLICK HERE TO SEE OUR AVAILABLE POSITIONS AND TO APPLY.](#)

ALUMNI SPOTLIGHT

Lila Ferber graduated from Westside High in May 2013. She graduated from the Kansas City Art Institute in May 2017 with a degree in sculpture. Last semester, Lila won a public art competition in Kansas City at the Lead Bank in the Crossroads District, and her work is publicly displayed there. Lila is currently living in Washington, DC after earning an internship with the Smithsonian American Art Museum.

WESTSIDE SERVES!

Several of our schools and countless students volunteered to raise money and supply donations for areas affected by Hurricanes Harvey, Irma and Maria. Westside DECA, in partnership with Fusion Medical Staffing and Kirsch Transportation Services, Inc, held several collection events this month, filling a semi-truck full of supplies for victims of Hurricane Harvey.

"We all came together to figure out how to get a bunch of stuff to the people who need it in Houston," Westside High students told 3 News Now's Andrea Braswell. "We're much more fortunate than they are now." Click [HERE](#) to see more.

Students at Westgate Elementary also held a donation drive, collecting supplies in boxes in the office of the school. All collected donations were sent to the Houston area. "Westgate students living out our school statement, 'We Are Kind'," Westgate posted on social media.

Rockbrook students also collected donated items to assist victims of Hurricane Irma. 6th graders Lexi Zeiss, JaLee Conyers, and Callista Golden organized a collection as their Passion Project in Ms. Akers class. They have partnered with Werner Trucking to transport their supplies to Florida.

We are very proud of these Westside students, with powerful minds AND strong hearts, working to make our world a better place!

THROWBACK THURSDAY

Founders of District 66 deliver petition signatures for the merger of Districts 46, 65 and 31 to the County Superintendent. The name District 66 was chosen and the first meeting of the new School District was held on March 30, 1947, when Westside Community Schools became official. There were 17 teachers, 344 students, and seven non-certified staff members.

Follow Westside on Facebook for more fun #ThrowbackThursday moments!

FREE Behavioral Health Assessments, Counseling & Parent Seminars

As we move into October, we would like to remind you of a valuable collaboration in place between Westside Community Schools and Children's Behavioral Health at Children's Hospital & Medical Center. This partnership allows us to address the mental health needs of our children and families districtwide. The services offered through the Student Assistance Program include free assessments and short-term counseling, where students and their parents are invited to complete two free face-to-face sessions. Children's Behavioral Health therapists are able to help you address any cognitive, emotional, developmental or personal issues that your student or family might be facing. Students and families have two options:

1. Contact your Counselor, Social Worker or School Psychologist for information about Children's Behavioral Health
2. Call Children's Behavioral Health directly at 402-955-3900 to schedule an appointment. Children's Behavioral Health is located at 1000 North 90th Street (southwest corner of 90th & Western Streets.)

In addition, Westside Community Schools will host several free parent seminars offering valuable information from experts at Children's Hospital & Medical Center. All seminars run from 6:00 - 7:00 pm.

October 24, 2017 @ Rockbrook Elementary
November 28, 2017 @ Westside High School
December 12, 2017 @ Westside West Campus
January 23, 2018 @ Westbrook Elementary
February 20, 2018 @ Paddock Road Elementary
March 7, 2018 @ Westside Middle School
April 18, 2018 @ Oakdale Elementary
May 8, 2018 @ Sunset Hills Elementary

Topic: Bullying
Topic: Depression
Topic: Trauma
Topic: Coping Skills
Topic: Anxiety
Topic: Test Anxiety
Topic: Social Media
Topic: Self-Harming Behaviors

We believe this partnership with Children's Behavioral Health will continue to enhance the existing mental health supports for students and families within the Westside Community Schools. Please feel free to contact your school for more information.

Safer & Healthier Foods Plan

District-Approved PK-6 Candies

Revised July 2017

Safer Treats for Positive Reinforcement and Special Occasion Classroom Distribution

The candies listed below are approved for special occasion classroom distribution by staff, including Halloween and Valentine's Day parties. While we encourage the use of non-candy items, only the following individually wrapped food items should be used for positive reinforcement or celebrations. Please coordinate with teachers and administrators before bringing snacks into the classroom, as this list does not cover all food allergens, and manufacturers' ingredients can change. Thank you for your help and understanding in keeping our students safer and healthier.

District Approved Candies

Included items do not contain peanuts or tree nuts, and were not produced in facilities that use peanuts or tree nuts. Gluten-Free options are noted with **GF.

- **Bo & Tys Sweet Gummy Bears/Worms** **GF
- **Bo & Tys Sour Bears/Worms** **GF
- **DumDum Pops**
- **Jolly Ranchers**
- **Junior Caramels**
- **Junior Mints**
- **Lifesavers Gummies**
- **Nerds**
- **Skittles**
- **Smarties**
- **Starburst Jelly Beans** — all flavors
- **Sour Patch Kids**
- **Surf Sweet Candies** **GF — Fruity Bears, Fruity Hearts, Gummy Bears, Gummy Worms, Peach Rings, Sour Berry Bears, Sour Worms, Spooky Spiders, Watermelon Rings
- **Surf Sweet Jelly Beans** — original and spring mix **GF
- **Tootsie Pops/Rolls**
- **Whoppers** — original only
