

Registration for District Residents

- 1) Complete new student registration forms online at westside66.org>Student Services
- 2) Prepare the following required documents to bring the Westside Welcome Center located at the ABC Building, 909 South 76th Street:
 - Certified copy of child's original birth certificate
 - Proof of child's immunizations
 - Health exam: Required for children entering Kindergarten, 7th Grade and who are new to the State of Nebraska.
 - Proof of residency (See below)

Proof of Residence Requirements Owing property or renting a dwelling within the District does not, in and of itself, qualify a family for attendance. You must reside at a District address to be entitled to enroll there. Nebraska Department of Education regulations define residence as "that place in which a person is actually domiciled, which is one's established home and the place to which one intends to return when absent therefrom. It is the place where a person is actually living full time."

To prove that you reside in the District, please bring the following:

- 1) Proof of home ownership (mortgage statement, tax bill, or homeowners insurance policy) OR Current Lease Agreement
- AND
- 2) A current bill from MUD or OPPD. All documentation must identify the adult attempting to register the child as the owner/renter of the residence.
