FAMILY FOCUSED. VALUE DRIVEN.

Cub Scouting is a year-round program uniquely designed to meet the needs of youth (kindergarten through fifth grade) and their families. The program offers fun and challenging activities that promote character development and physical fitness. Family involvement is an essential part of the program, and parents are encouraged to play an active role. Cub Scouting helps parents make the most of the short time they have to impact the lives of their children.

CUB SCOUTING...

- Nurtures leadership and character growth
- Strengthens families
- Helps youth develop interests and skills
- Provides adventure
- Creates fellowship
- Promotes diversity
- Teaches duty to God and country
- Is FUN!

A research study by Tufts University showed that more time spent in Scouting results in better character development.

WHY THE CHANGE?

*Families today are busier than ever and with less free time, families want convenience. In fact, **convenience beats cost as the #1 concern.***

Research shows that our programs are extremely appealing to today's busy families.

In a recent survey of parents not involved with Scouting...

90% *are interested in a program like Cub Scouts for their daughters*

87% *are interested in a program like Boy Scouts for their daughters*
