Join the adventure of the iconic Scouting program, Scouts BSA. Starting in 2019, young ladies ages 11-18 can start their trail to the rank of Eagle Scout and be a part of the inaugural class of women Eagle Scouts. Scouting provides opportunities for adventure, community service, leadership, development and much more. You will be joining a brand new troop that will consist of only young ladies. On a monthly basis, you will have the opportunity for a weekend adventure and during the summer there will be opportunities for week-long adventures. Some activities include hiking, backpacking, canoeing, shooting sports, camping, outdoor cooking and wilderness survival. The Scouting program not only prepares you for these adventures, it prepares you for life.
